Paris is your oyster over the next two days as you enjoy guided tours around one of the world's most celebrated cities. Your Parisian adventures get off to a spectacular start with a drive along the famous Champs Élysées to the Place de la Concorde which played such a key part in the French Revolution. You'll also get to see the iconic Arc de Triumph too, the imposing monument that sits near the western end of the avenue and commemorates the fallen of the

revolution and Napoleonic wars.

You'll take in another significant historical building next as you head to L'Hôtel National des Invalides, where Napoleon's tomb is located, followed by a stop at the most legendary of all Paris icons: the Eiffel Tower.

Finally, you'll travel on the coach out through the Parisian suburbs to the splendid Palace of Versailles, the vast regal chateau that was the residence of the royal family until the start of the revolution in 1789. Today the palace is another popular Parisian attraction.

In the evening, you can enjoy one of our optional Paris evening shows.

The second day of your Parisian experience begins with a visit to the Louvre, one of the world's greatest art museums. Here you'll set your eyes upon some of history's most famous masterpieces, including the Venus de Milo, Winged Victory of Samothrace (also called Nike of Samothrace), and Leonardo da Vinci's Mona Lisa. Opt for a guided gallery tour, which will enhance your experience and allow you to browse through hundreds of works in just a few hours. You can then take a leisurely cruise along the river Seine, a great sightseeing option that offers splendid views of iconic Parisian landmarks, including Notre Dame Cathedral and Pont Alexander III.

After an exhilarating morning of walking the gallery corridors, replenish your energy levels with lunch in the museum before heading to the area surrounding the Palais Garnier, Paris's Opera House. Afterward, you have an option of having a French 4-course Dinner and Show experience or spending time shopping at the legendary department stores Galleries Lafayette.

Once in Lucerne, we will visit famous landmarks, including Chapel Bridge, the Water Tower, and some wonderfully preserved Baroque and Gothic architecture, followed by some free time to shop or take pictures.

Day 4 (Sunday): Lucerne - Venice

Head south from Lucerne through spectacular Switzerland and into northern Italy, where your first stop will be Milan, the fashion capital of the world. Your city tour will introduce you to the iconic sights, including the Gothic cathedral, Duomo. You'll also see one of the earliest shopping malls, the 19th-century Galleria Vittorio Emanuele II, where you can wander among the boutique shops and take lunch in one of the sophisticated cafes.

After enjoying the many delights of Milan, you'll head to another vintage Italian city: Venice.

Day 5 (Monday): Venice - Rome

Spend the morning in the company of a knowledgeable local guide as you explore Venice, the most magical of cities. Begin with a waterbus ride to San Marco Island, a memorable crossing of the lagoon that gives you a real taste of the city's charm as you approach the dreamy spires and distinctive waterside buildings. Once on the island, you'll be led around some of Venice's best-known locations, beginning in the Piazza with the Basilica di San Marco, a stunning piece of Byzantine architecture.

You'll also see the legendary Bridge of Sighs, which appears on many a postcard or picture of Venice and connects the old prison to the interrogation rooms in the Doge's Palace.

Afterward, you'll have a chance to see some traditional Venetian craftwork at close quarters with a demonstration by Murano glassblowers; their exquisite creations make excellent souvenirs. Of course, the ultimate Venice activity is to ride through the warren of waterways on a gondola, and for most people, this optional excursion is a must. Step aboard, relax, and enjoy this once-in-a-lifetime experience. Transfer to Rome in the afternoon.

Day 6 (Tuesday): Rome - Arezzo

Your day in Rome starts with a visit to the smallest country in the world, The Vatican City, which lies at the heart of the Italian capital. Here you'll marvel at St Peter's Basilica, home to Pope Francis and arguably the most significant site in Christianity. The exquisitely beautiful Basilica has been present here for almost 1,700 years and contains a bewildering collection of paintings, frescoes, and designs crafted by some of humanity's most famous artists, which you can explore. Alternatively, you can choose to add on the optional Sistine Chapel tour to view Michelangelo's famous painted ceiling. Next, you'll see the famous Trevi Fountain, the lavish Baroque showpiece where people flock to throw coins into the water – an action which is said to ensure that you'll return to the city again one day. After lunch, take a step even further

back in time as you visit Italy's unrivaled Roman relics. An optional guided tour of the Colosseum, built in AD 72, is highly recommended. History comes to life as you imagine yourself witnessing gladiatorial combat inside the spectacular Amphitheatre, or alternatively, you can walk at your leisure around the outside to admire the facade of this ancient wonder. After the Colosseum, get up close to the nearby Arch of Constantine, which dates back to the fourth century AD, then spend some further free time enjoying Rome, sampling the rich and creamy delights of "gelato" Italian ice cream.

You'll pass the Uffizi Gallery, which contains one of the most notable art collections in Florence. You'll have free time to see the city further, shop, or watch the world go by from an alfresco cafe, before traveling on to your next destination, Pisa.

Here, be sure to have your camera ready to get a shot of the iconic Leaning Tower, the famous bell tower in the 'Square of Miracles, which also contains the centuries-old Cathedral and Baptistery.
